Things look quite hopeless on
the sale this week. Saw Werner
who is now aligned with John Ford
(New Neth) & he says he has high
ords on 40,000 of stuff.

Boxy JR is here; also Trader <sup>(Long
Beret
Call?)</sup>
Sam & in fact many others. Pickups
will be slim.

As to the Parcels; now
think the price is too high & Tom
Donner probably won't even inquire
to you re them.

Will try to look at them
again - the Choice AV should
cost about 2100⁰⁰ - (F

What with the weak dollar etc
+ little to buy - what is
your opinion as to digging up
the usual stuff?

Double Eagle - CC's - 09/8 - 13-5;
24-5 - 26-5 And the like

Do these appear to have any
better strength now that the
ordinary double eagle is up.

Please advise on receipt to

H. Red -

Very little doing numerically.
Haven't been looking diligently - STAYING
in London for another week or two +
will look around a little more before
returning ^{EARLY IN JUNE}. Actually, mainly relaxing
in a "FLAT" in some place like Yiddish
Brooklyn (GOLDERS GREEN) + I even
eat in Kosher restaurants besides fish +
chip shops. - Actually not too bad.

The dealers have very little of any European
SPINK, Seaby + on the continent. No decent
freezin gold ^{IF AVAILABLE} at a fair price + nil
on USA gold + silver. Have picked up
some stuff but, so far, nothing to get excited
about. Have been offered a "20-1929
practically CNC ^{FOR \$1250.00} but want that too much
to pay? Drop me a line on the 1929
etc. to the following address

From my observations - right or wrong - There
quantity of 5-10-20 held here is diminishing
very rapidly + I should think prices
will rise - Although I've been wrong before.
Just from scarcity of NOT for other reasons.
Best Ed

P.S. Don't give Downer any so called itinerary etc.
